It is important to point out that not all mortgage loans and services are regulated by the Financial Conduct Authority. Some of the advice and services we provide may relate to loans which are either unregulated or have limited consumer protection.

We will confirm to you if any product we are recommending is not regulated by the FCA.

You should note that if we are arranging a "Buy-to-Let" mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

We will confirm to you if any product we are recommending is a Business Loan; a Business Buy-to-Let; or a Consumer Buy-to-let loan.

INVESTMENT FEES - STANDARD

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The section below sets out the fees for the initial advice I offer. Once I have a better understanding of your situation I will go through the fee structure and be able to give you the actual fee amount that will apply to you.

I am not able to receive or retain any other inducements from a product provider. Should I receive any additional fee, commission, monetary or non-monetary benefit as a result of a recommendation made to you I will return this to the product provider to transfer it to you (as appropriate) and attempt to stop further payments/inducements being received.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Initial fees:

When our work involves investing a lump sum of money, our fees are:

- 3% on first £150,000,
- 2.5% on the next £100,000 and
- 1.5% on any balance

Our typical charge is 3% of the sum invested, which for an investment of

- £75,000 would be £2,250 and for
- £100,000 would be £3,000]

As there is a minimum amount of work involved with even relatively small sums to be invested, the percentage is typically higher for smaller investments, such as with an ISA.

Should you invest through regular contributions, our range of fees taken over 12 months are:

- Up to 50% of the first £250 of monthly contributions
- Up to 30% of the next £500 of monthly contributions
- and up to 10% over £750pm.

Our typical fees is 50% of the first year's contributions

For a regular contributions of £150 per month, this would equate to £900. (12 x £150 x 0.5)

For contributions above £250 per month our typical charge is 30%

For a regular contributions of [£300 per month this would equate to £1,680.

(12 x £250 x 0.5 plus 12 x £50 x 0.3)

The fees outlined above are raised when the investment is made and it is likely that no VAT is due on these fees.

If you ask us to stop work after agreeing to these fees you will be invoiced a minimum fee of £750.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

Implementing Investment Solutions

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed suitability report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution we will provide you with full details of the investment fund, platform, and all associated costs.

ONGOING SERVICES & FEES HOLIDAY

Set out below are the detailed elements for the indicative levels of ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate. Our fees for these services can be seen below:

| | |
|---------------|---|
| Gold | Where client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review services, this offering has more frequent reviews and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers. |
| Silver | A comprehensive service aimed at initial analysis, recommendation and implementation in line with a client's immediate needs. With ongoing review and recommendation, this is a service to adapt to a client's changing needs and circumstances. |
| Bronze | A straightforward advice service typically centred on immediate client issues and needs that require initial analysis and recommendations. With ongoing review delivered remotely and via advisory updates, this still brings client awareness and peace of mind. |

At a review, we will cover:

- Assessment of personal circumstances
- Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Valuations & investment commentary
- Where appropriate, recommendations in order to keep your [new / existing*] plans in line with your objectives

*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'Investment Fees - Standard' section earlier.

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table overleaf:

| ON GOING SERVICE OFFERING | [insert name of level 1] | [insert name of level 2] | [insert name of level 3] |
|---|--------------------------|--------------------------|--------------------------|
| Keeping you informed with pertinent and relevant information | YES | YES | YES |

Examples of Ongoing Fees

If we look after you via our 'Gold' service (as detailed above) & your investments are valued at £150,000, our fee is 1%. Therefore the annual payment to us will be £1,500.

If we look after you via our 'Silver' service (as detailed above) & your investments are valued at £80,000, our fee is 0.75%. Therefore the annual payment to us will be £600.

If we look after you via our 'Bronze' service (as detailed above) & your investments are valued at £50,000, our fee is 0.5%. Therefore the annual payment to us will be £250.

The elements that make up your ongoing servicing package are subject to alteration, I will notify you in advance and in writing if any of these aspects change.

Impacts Of Fees

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

INVESTMENT FEES – AD HOC / WHERE NO ONGOING SERVICE IN PLACE

If you do not wish to subscribe to an on-going service, we provide many services on an ‘ad-hoc’ basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service. **Please note that implementation fees are in addition to the examples shown below.**

An additional fee may be required, typically calculated in accordance with our hourly rates, as shown at the bottom of the table below.

Prior to any work being agreed and carried out we will give an indication of the approximate amount of time that these tasks might take. These additional fees might be paid by single payment (e.g. by cheque), charged from your investment plan(s) or via regular monthly retainer payments (e.g. standing order).

Fees will depend on individual circumstances, but are typically:

| | |
|--|---------------|
| Face to face meeting to review your financial planning, confirm your existing provisions, and & identify areas of need and/or concern | £750 |
| Advice and recommendation to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) | £750 |
| Additional research fee per existing pension scheme | £250 |
| Advice on withdrawing money from your retirement funds | £500 |
| Regulatory & taxation updates | £49 p.a. |
| Annual valuation | £152 |
| Annual risk profile questionnaire | £252 |
| Annual telephone advisory update | £403 |
| Additional reviews per session | From £400 |
| Quarterly E-Newsletter facility | £30 p.a. |
| Pure time related rate work per hour | £150 |
| Implementation fees | Standard fees |

Example: A client wishes to invest £100,000 and does not wish to be part of our ongoing advice services. The fees from the table that would typically apply are:

‘Face to face meeting’ to review your financial planning, confirm your existing provisions, and & identify areas of need and/or concern = £750 plus ‘Advice and recommendation’ to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) = £750 plus
Implementation fees will also apply as per the standard fees (e.g. 3% of £100,000) = £3000

Total fee = £750 + £750 + £3,000 = £4,500

Please note that these services on their own are likely to attract Valued Added Tax (VAT), in accordance with current HMRC (Her Majesty’s Revenue and Customs) guidelines.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

MORTGAGE & PROTECTION – ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. **Communication** - In order to provide you with a high quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. **Protection** - It is important to ensure your current protection plans and provisions remain in line with your objectives. If you wish, we can review this once a year with you.
3. **Mortgages** - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. Ideally this will be 6 months beforehand. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavors to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Our Regulator - The Financial Conduct Authority

We are an appointed representative of Caerus Financial Limited (FCA Register number is 497604), Trident 3, Trident Business Park, Styal Road, Manchester, M22 5XB which is authorised and regulated by the Financial Conduct Authority.

The permitted business of Caerus Financial Limited is advising on and arranging pensions, investments, mortgages, life assurance and general insurance.

You can check this on the FCA's Register by visiting the FCA's website www.FCA.org.uk/register or by contacting the FCA on 0300 500 8082.

Client Classification Levels For Your Protection

The FCA has rules which affect the rights you have as a customer.

We classify all our individual customers as 'retail' customers. The range of financial products and investments we recommend are tailored to meet the needs of retail customers. You will have

rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other classifications of customer that don't have these rights. These are "professional" customers and "eligible counterparties".

You have the right to be classified as a professional client. Should you feel you have the skills knowledge and experience to be a Professional client and don't wish to have the same protection afforded to retail clients, please let me know and we will complete the forms necessary to reclassify you.

If you have any questions regarding your classification (e.g. if you are a large company), please write to Caerus Financial Ltd Compliance Department, Trident 3, Trident Business Park, Styal Road, Manchester, M22 5XB or to the Financial Ombudsman Service and FSCS.

Client Money Peace Of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Investment Advice and Recommendations Scope

Any investment advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in a Suitability Advice Report.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in the Suitability Advice Report. We will always make it clear when products are not within the 'regulated' scope, and advise you of your rights.

Paying For Advised Services

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of

the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of the any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Cancellation / Termination of Authority

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details provided. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

Language

Unless agreed by us at outset all communication will be completed in English.

Overseas permissions

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any overseas location regardless of whether that location is in the European Economic Area (EEA) or not.

Timing of Reports

I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended. If you would like this in an alternative format e.g. Braille, Moon, Clear and Large Print, Audio documents (Cassette, CD, MP3 or Wav) or any other languages please let me know.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail

financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT will become chargeable.

Declaration of Other Interests

Intrinsic has a number of payment arrangements with various product providers to facilitate adviser learning and enhance the outcomes for our customers. Further details are available on request.

To ensure that customer interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflicts of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted and we will obtain your consent to proceed.

Our Loans and Ownership

Intrinsic Financial Services Limited owns 100% of Caerus Capital Group which in turn owns 100% of the share capital of Caerus Financial Limited. Old Mutual Wealth Holdings Limited owns 100% of the share capital of Intrinsic Financial Services Limited.

Old Mutual Wealth Holdings Limited is part of the Old Mutual Wealth Group of companies which includes product and platform providers as well as fund managers. This may give rise to a potential conflict of interest where an Old Mutual Wealth Group company has a suitable solution for your needs. If such a situation occurs I will ensure that the Old Mutual Wealth Group solution is the best execution of your needs before making the recommendation, I will also highlight the potential conflict of interest at the time of making the recommendation.

If required you must supply proof of your identity in accordance of the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This foot-print is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 1998 acceptance of these terms and conditions represents your permission for us to access this information.

Financial Services Compensation Scheme (FSCS) Current limits
